Note: The Sewer Loan reached a five year mark this month at which the banking institution re-evaluates the interest rate. This resulted in a 2% interest increase and would have meant an increase of \$6.88 per Toby Sewer Customer. Upon receiving this news, the Rimersburg Borough Municipal Authority renegotiated with the institution and obtained a fixed rate for the remaining life of the loan. Therefore, this \$1.75 increase should be the last increase due to interest rates for the sewer loan.
